Super Affiliate System Pro

Internet Jetset

Getting Started

Module Summary

Welcome and congratulations on taking this big step. The Super Affiliate System training course has been designed to take you step-by-step through the process that has worked for me and thousands of others. If you commit to doing the work and following the script, you'll improve your chances of success dramatically. And we'll be right here to help you!

In this module, you'll explore the course dashboard and review the course structure, expectations, and resources. You'll also be challenged to identify the goals for your business and the outcomes you want to achieve.

Module Objectives

After completing this module, you should be able to:

- Navigate the Super Affiliate System website and course portal
- Connect with the SAS community
- Find help if you need it
- Take appropriate steps to increase your chances of success
- Identify your business goals and outcomes

Module Roadmap

1. Watch the "Welcome and Course Overview" **video** and take notes in the note-taking area below.
2. Watch the **SHOW ME HOW** videos while you follow along on your computer and do it yourself.
3. Watch the final module **videos**.

4. Take action:
 - **Introduce yourself** to the [community](#).
 - Determine a set time for working on your affiliate business and this course each week (at least 5 hours per week).
 - Download and complete the "**My Business Goals, Outcomes, and Commitment**" worksheet.
 - **Submit** the worksheet using the upload link in the course portal. Please note that while you will not receive feedback on worksheets you submit in this course, you must submit them when requested in order to receive your final certificate and digital badge.
 - Post the worksheet where you will see it often.
5. Take the module **quiz**. Please note that successful completion of the quiz is required to progress to the next module.
6. **Bonus training:** "[How to Create a Vision Board](#)" – This bonus material will become available after you complete the quiz.

Video Notes

Welcome – In this welcome video, you'll be introduced to the types of videos in this course and when you should contact our support services.

Society generally leads us to believe that we're supposed to learn for _____ years and then we're fine. But we all know in today's society, you have to be continually _____, and that's how successful people get the _____.

The two main categories of videos in this course:

- Informational videos
- SHOW ME HOW videos
 - Review the SHOW ME HOW videos in a particular section of lessons _____ you contact support.

SHOW ME HOW Videos

Why Affiliate Marketing? – There are a lot of reasons why affiliate marketing is the easiest way to begin making money online. In this video, you'll identify all of the things you don't need to do or have in order to get started.

Why affiliate marketing is the easiest business model to get started earning online income:

- You don't have to have a _____ to sell.
- You don't even have to have a business _____.
- You do not have to do customer service.
- You don't need any inventory.
- You don't need to do any _____.
- You don't need a huge investment.
- You don't need _____.
- You don't have to do any _____.
- You don't need a social audience.
- You don't need _____ skills.
- You don't need expertise.
- This business is not hard to _____.
- This business is not a negative cashflow business.
 - You can make money _____ you actually spend money; this business is positive cashflow.

Setting Yourself Up for Success – You're taking this course because you want to be a successful affiliate marketer, right? You want to create passive monthly income for you and your family. You want to take back control of your time and your life. In this video, you'll discover what it's going to take – what you need to do in order to set yourself up to have the highest chance of being successful and being able to use this business model of affiliate marketing.

Setup for Success

There is not a program or a course in the world that can _____ success, so it is 100% essential for you to take _____, do the work, and set yourself up for creating success.

Create a _____ for yourself. You won't meet your goal if you never have a goal.

Take Action and Do the Work

_____ is the best teacher of them all. Use the SHOW ME HOW videos to implement what you learn.

Find Time to Make Money

Everyone has 24 hours in a day. We sleep, hang out with family, and have hobbies or religion or TV shows that take up time in our day. Our time is currently 100% allotted.

This training course is going to require about _____ hours a week, which means you're going to have to find that time from other things you currently do.

It's very important to remember why you're doing this, why you're starting a home-based business.

- Tired of your dead-end job.
- Don't like your _____.
- Don't like _____ to work.
- You think you should be paid more.
- You want more _____ to spend with your family and friends.
- You want to _____ the world.
- _____

4 Concepts to Achieving Success

1. **Who?** – Who are you listening to? You want to be listening to teachers who are _____ what you want to be doing or _____ what you want to have, who have _____ what you want to accomplish.

2. **Teachability** – Rate your willingness to learn and your willingness to change.

- Are you willing to give up _____ to learn?
- Are you willing to give up _____ to learn?
- Are you willing to give up things you love in order to learn?

CHANGE

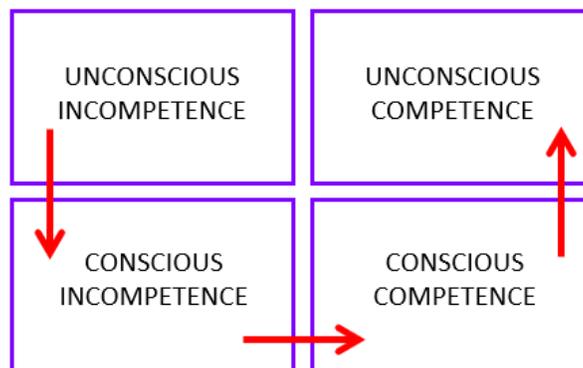

- How willing are you to change your _____ to implement training?
- How willing are you to go outside your _____ _____?
- How willing are you to put aside some of your prior thoughts or feelings or experiences to begin doing what you learn throughout this course?

3. Training/Balance – Recent studies show your _____ are much more important than your _____.

- What is your purpose in doing something?
- Why do you continue to learn?
- What is your goal?
- What is the _____ you're seeking to achieve?

Keeping the "why" in mind will keep you driven and keep you _____ on creating that outcome.

4. Steps to Processing New Information

Things get a little bit harder before they get better. You become aware of the fact that you're doing things wrong, but that's a _____ part of learning.

Follow the Script

- Follow the process in this course.
- Work off of good ad controls – start with ads that work the _____.
- Use suggested copywriting principles.

Money Loves Speed

- Complete this course at a pace that is comfortable and achievable for you.
- _____ and speed and taking action are important for success.
- Don't put off doing the work that you're being asked to do – take action.

Perfection Kills Sales

- Sales and marketing are more _____ than science.
 - There's no right way to do sales and no right way to market a product.
- Trying to be perfect will _____ your chances of being successful.
 - Just because you do something wrong doesn't mean that's _____.
 - Mistakes are part of the process.
 - Don't let perfection hold you back.
 - Learn from mistakes and _____.

Insights and Action Steps

What did you learn in this module that was new to you or that you found challenging? What insights did you glean that you want to be sure to remember? Based on your experience in this module, list any additional action steps you need to take now or plan to take in the future.
